Haryana players shine bright at Deaflympics 2021

Komal Ramola
Panchkula

Haryana Chief Minister, Manohar Lal on Monday felicitated the state's Deaflympics athletes with around Rs. 6 crore of cash awards.

Cheques were distributed to a total of 15 players including four gold medal winners, two bronze medal winners and nine participants who took part in the Deaflympics in Brazil during a state-level felicitation ceremony organized at Tau Devi Lal Stadium, Panchkula.

"Climbing as many as four gold medals in the recently held Deaflympics-2021 at Brazil, Haryana players have once again proved as why the state is known as Sports Hub. Also, by winning 6 medals, including 4 gold, out of the total medal tally of 16 the country they have once again proved why Haryana is known as India's medal factory. We are proud that out of 65 athletes from India who have participated in this international competition, 15 are from the State," said Manohar Lal.

Vidhan Sabha Speaker, Gian Chand Gupta, Minister of State for Sports and Youth Affairs, S. Sandeep Singh, MP, Rattan Lal Kataria also remained present during this felicitation ceremony.

"By giving you these cash rewards on behalf of the state, I really feel proud. Your achievements are a perfect example, if a person has strong willpower, then no physical disability or weakness can stop them from realizing their dreams," said Manohar Lal.

The Chief Minister said that after witnessing the excellent performance of the State players' Olympics, Paralympics, Commonwealth Games and Asian Games,

the entire country had high hopes from these 15 players in the Deaflympics. "I can proudly say that by winning four gold and two bronze medals, they have not only made the country proud but have also again brought laurels for the state," said Manohar Lal.

"It is only because of players like you, that today Haryana's name has once again shined bright on the world map. Haryana is of course a small state in terms of population and area, but our achievements in the field of sports are unmatched. The players of Haryana have time and again proved their mettle in various National and International competitions," said Manohar Lal.

The Chief Minister also inaugurated four state-of-the-art sports facilities built at a cost of Rs.116 crore. These include the Scientific Sports Training and Rehabilitation Center built at a cost of around Rs. 50 crore, Multipurpose Hall No. 2 and 3 built at a cost of around Rs. 50 crore, Hockey Astro-Turf built at a cost of around Rs. 10 crore and Renovation of Athletics Track at a cost of around Rs.6 crore. Providing such state-of-the-art sports facilities also plays a pivotal role in the achievements of the players, said Manohar Lal.

"Around 677 players from Haryana had participated in Khelo India-2020 competitions and got the second position in the country by winning 200 medals. This time since we are the host so I hope that the state players would bag the first position by winning the maximum number of medals in this historic event," said Manohar Lal.

SP stages walk-out in UP House over EVM row

Lucknow

Samajwadi Party members on Monday staged a walk-out from the Uttar Pradesh legislative council alleging that their party workers are being harassed for protesting over "unauthorised" movement of EVMs in Varanasi.

In March, SP workers had protested claiming that a truck carrying EVMs was "intercepted" just ahead of the counting of votes in the assembly polls. The Election Commission had, however, clarified that these EVMs were "marked for training" of those officials who would on duty during the counting of votes and were not used in elections.

In the legislative council on Monday, Leader of the House Swatantra Dev Singh, too, cited the Election Commission to rule out any foul play.

The matter was raised during the Zero Hour through an adjournment notice. SP leader Naresh Uttam Patel said after the results were announced on March 11, the police registered two cases against SP workers who reportedly took part in the protest and arrested them.

They were released on bail, but the police arrested them again, Patel said. He accused the state gov-

ernment of "irregularities" and said that the Election Commission's decision to suspend the Additional District Magistrate (ADM) indicated that the government was allegedly hand-in-glove with the government.

"Even after the ADM's suspension, the police are arresting SP workers without any evidence," he claimed.

Swatantra Dev Singh, who is also the state BJP chief, alleged that the SP workers, in the garb of a protest, had even stopped the district magistrate's vehicle assuming that the Akhilesh Yadav-led party was coming to power in the state.

Leader of Opposition Lal Bihari Yadav, however, said the SP workers were only "keeping a watch on EVMs" from outside the counting centre as they were apprehensive that the machines were being tampered with.

Currently, 28 SP workers are lodged in jail for staging a protest, he added.

'India a global powerhouse because of its gods', says UP minister

Lucknow

While the jury is still out on Varanasi's Gyanvapi mosque case and on Shahi Eidgah in Mathura, a senior UP minister on Monday said that India became a "global powerhouse" because of its gods, and they are its identity.

He said that if any government, community, or organisation wants to "beautify" the places associated with these gods, then no one should have any objections.

"Ayodhya is the birthplace of Lord Ram, Mathura is birthplace of Lord Krishna, and Kashi (Varanasi) was created by Lord Shiv. It is because of these gods that India has its identity, and it is because of them that India has become a global powerhouse ('vishwaguru')," UP's sugarcane development minister Laxmi Narayan Chaudhary said.

"Today, the world is reading the Gita - the lesson taught to Arjun by Lord Krishna. The entire world is getting a message from Lord Ram about how an ideal son, an ideal husband, an ideal brother, and an ideal friend should be," he said.
